

Bizfly AssociationTM
(Indian Exporters & Importers)

ABOUT US

Dear Exporters & Importers, We have established this Association in order to add impetus and clarify to the process of development, the Bizfly Association offers services like...

To promote trade, commerce and industry in India in general and exports in particular to assist exporters in the development of foreign trade. The Bizfly Association proactively deals with services-related aspects like shipping and transport, banking insurance and other related matters. To keep in touch with national and international Bizfly Associations, other commercial and public organisations with a view to evolve measures for stimulating trade. To sensitize Government and other authorities about removing handicaps and hindrances coming in the way of smooth operations of foreign trade.

Liasing with banks for credit facilities and liberalizing terms; Keeping liasing with DGFT office to sort out problems of exporters; Circulating Government notifications such as Customs notifications, Central Excise notifications and RBI circulars; Issuing Certificates of Origin, endorsing invoices, attesting contracts etc. Helping to obtain Visas for visiting overseas countries. Arranging Seminars and Meeting with concerned authorities. Association open house meets with the highest authorities to draw the attention of the Government on important trade issues and help speedy resolution. association Facilitates redressal of exporter's problems by
